6th - 10th November 2017

## Participation: Year 7's Enjoying their Learning & Achieving

The current Y7 cohort have made a fantastic start to the academic year providing the academy with a youthful buzz. This term they have focussed on settling in and this has been aided by some fantastic tutor time activities and an engaging assembly programme. Most recently students have worked together in their houses to develop a student pledge that all students that attend the academy must adhere to if they are to attend the academy. This experience has promoted teamwork amongst students as well as communication and leadership skills. However most importantly it has promoted students to think about what it means to be a Royal Greenwich Trust School student.

Student of the week – Ameer 7J. Ameer's work in class and at home has been superb; she is showing fantastic geographic skills. Muskan and Reece in 7T have shown strong historical insight in class debates. River in 7M has been asking

good analytical questions in History and Vinnie (also 7M) has been showing great maturity in class and showing great historical understanding. Kaio in 7G has been working at a very high standard in class and at home. Tosin (7J) has been working very hard in all the humanities, good maturity and responsibility.

## English - Students of the Month

- \*Christabella 7T\*
- \*Alessandro 12 RMI\*
- \*Ilian 12HJI\*
- \*Balraj 13AGR\*
- \*Fola 13AGR\*

## QUICK REMINDER FOR PARENTS

**After school activities - Please ensure the necessary arrangements are made for your child to go home safely.**

## Headteacher's Message

Last week we had the first meeting of the School Council in Year 7. There we discussed ways in which students could learn well and what rewards await those who succeed. This is a really important democratic institution that will help our young people understand why democracy is so important. It is part of ensuring that the student voice is heard. All the students were democratically voted by their peers onto this important body. And as this week moves towards Remembrance Day we want to remind everyone of the sacrifices people make all over the world in order to defend hard won liberties like free speech and democracy. Our children's lives are precious and their education must ensure that they become powerful and responsible citizens of the future equipped to face the challenges of an increasingly complex world with hope, knowledge and fortitude.

# CONGRATULATIONS!

House of the week

## MIRZAKHANI

**Well Done to Students of the week:**

Habib, 7J

Zakkai, 7M

### 6th Form News

I would first like to congratulate Tatiana and Zainab for their wonderful BHM assembly. Also a big thank you to Ferkan, Gavin, and Valeria who became the face of our marketing for 6th Form Open Evenings. They continually meet the expectations of the school

### EVENTS FOR THE WEEK

- Tuesday: KS3 Science Club  
3.30- 4.15pm
- Tuesday: KS3 Maths Club  
3.30 - 4.00pm
- Thursday: Design & Technology  
3.30 -4.30pm

# Sixth Formers Go Racing!

The GreenPower team attended the final event of the season at Rockingham Speedway in Corby. The International Final took place over Saturday and Sunday, and Royal Greenwich Trust School had two cars racing in the event. Saturday saw a strong performance from our teams, and at the days end, both cars were in the top twenty overall. Strong winds however prevented the cars from reaching their full potential, but the team took that as a challenge in subsequent practice runs and races to conserve battery whilst keeping up the pace. On Sunday with a new plan and tactics to make the most of the cars strengths, the team was going well, however the day was ended prematurely after one car was hit by a competitor, whilst the other cars battery hadn't charged fully. Better luck next time team!
